

# MEMORY 112

- 1 Print the pictures card 2 times and cut out the different images.
- 2 Shuffle the images and put them side by side on a table with the drawing down.
- 3 One by one, each player turns up 2 images of one's own choice. If a player finds two images with the same drawing, he may keep them.
- 4 The player who has collected the most cards at the end of the game is the winner.

**Tip:** Print off the pictures card on thicker paper or ask your parents or teacher to laminate them so you can play the game more often.

Play the Memory 112 with your friends, family or even your class.
